

# Gippsland Athletics Pentathlon

The Gippsland Athletics Pentathlon Championship was run on Tuesday 25th of February 2020.

The Pentathlon results have now been posted, congratulations to all of the place getters.

Special mentions to South Coast Athletics member - Miles Wrigley , who in the U/16 Mens broke a long standing pentathlon record (1994) with an exceptional overall performance.

And also to Gippsland Athletics member Jude Fernando, who in his first season with the club managed to edge out the ever competitive Ben Cruickshank in Masters Mens, in what was easily the largest field of the evening.

We had a great turn out for the event, with a number of competitors from South Coast Athletics and Traralgon Harriers making the effort to come and compete.

Gippsland Athletics would like to thank all competitors for helping make the Pentathlon a more interesting event.
