---

The final round of the Vern Curnow Shield was held on Tuesday 21st of January 2020 at Joe Carmody Track in Newborough.

It was nice to be able to run the night after having to cancel the previous weeks events due to poor air quality..

The results are in and congratulations go to South Coast Athletics (930 points) for again taking out the Vern Curnow Shield, making it two in a row.

Traralgon Harriers had some good numbers in attendance which shows in their second placing, (737 points) with Gippsland Athletics third (579 points) quite a way off the pace this year.

South Coast Athletics had the highest number of competitors over the three weeks of the competition and took a well deserved win.

Gippsland Athletics would like to thank all of the participating clubs and their athletes for again helping to make the Vern Curnow Shield a special part of our season.
